MAXIMISING USER ADOPTION

Migration

Our 24/7 support helps employees navigate new tools, ensuring a smooth transition and increased adoption rates.

Empowered Users

We provide comprehensive training and resources to ensure your employees are comfortable using your new SaaS tools.

Reporting

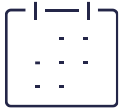

Stay up to date with how the utilisation is getting shaped up through out your organisation.

Automated Workflows

Our expertise can help you with possible automations within and between the platforms.

24/7 SUPPORT

Automated Renewals

We automate renewal processes, reducing the risk of missed deadlines and ensuring timely payments.

Cost Optimisation

We help identify under-utilised subscriptions and inactive user accounts across your SaaS tools, ensuring you only pay for what you need.

Cost Transparency

We provide clear and comprehensive billing statements, so you know exactly what you're paying for.

Add Ons

We leverage APIs, middleware, and automations to seamlessly connect your SaaS tools, ensuring data flows efficiently.

DELIGHTED CUSTOMERS

The Codelattice team is very motivated and help full and most important very creative always ready with new ideas and advices, and we are very satisfied. For us, the most important is the after sales. They are always there when you need them. From our side, highly recommended , you won't regret!

Albert Stienissen,
Owner & CEO Above5 Travels

We were really happy with their service and that is why we decided to have a continued relationship with them and opted to handover our website maintenance work to them. Orange has managed to deliver results as promised, on-time with no compromise on quality.

Shafi Thayyil,
Owner 800 Fixing

They are a highly organised, enthusiastic and professional company, who have delivered outstanding websites and great technical support through the years. We would highly recommend them to anyone

Nishath Nizar,
Lulu Exchange

The team at Codelattice has been excellent to work with; they tackled all the issues on a difficult and complex project. It has been a pleasure to work with this team.

Meenakshi Khanchandani,
Regional Market Research
Manager, British Council, UAE
